RE: Catering services

Dear Management & Staff:

We would like to thank you for your excellent service in providing catering to the many events hosted at our law office. We initially employed your company to cater the party for the grand opening of our new office in 1993. Over the years, we have utilized your services for several other events such as hosting a fundraising event for a Dekalb County politician, employee's birthdays and anniversaries, and holiday parties.

We have been so impressed with your catering that we referred your company to other associates, all of whom were very pleased with the presentation and taste of your delicious entrée and great personal service. We will continue to keep you high on our list for all of our catering needs.

We wish you much success in the future and thanks for your excellent service.

Sincerely,

Cassandra Dan-Fodio, JD
